"I don't think we were very good, though. After ten minutes the crowd were shouting, "Get 'em off! Get 'em off!". Well, we thought they meant our clothes so we started stripping. Eventually the manager had to drag us off stage. Still, we got lots of offers afterwards..." Ⓜ

Doubly-delicious Donna Fry (44DD-28-38) from Devon shows us just what keeps the tourists flocking to her south coast resort.

"Being a redcoat at Butlin's means you have to do all sorts of things to keep the punters entertained," grinned the accommodating 21-year-old. "The other week the compere of our New Faces evening fell off the stage and broke his leg, so me and my mate Cathy had to take over!

art lessons, and I've never stopped! It must be the exhibitionist in me, I suppose – I do love keeping an audience entertained."

But what does the headmaster think about having a nude model working under him?

"He was a bit concerned, but I promised I wouldn't let my looks upset the lessons. The problem is, everyone always wants to sit at the front, and they all misbehave in the hope I'll keep them in after class. And you should see how many turn up for swimming lessons!"

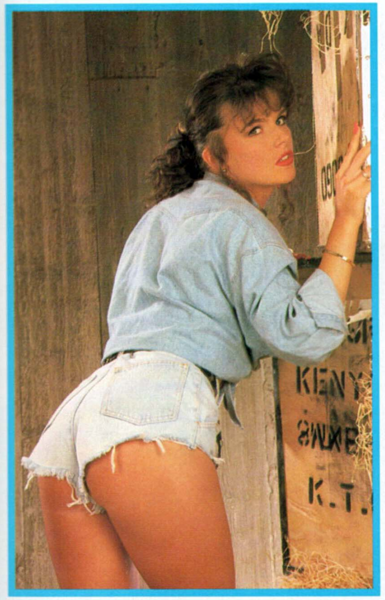
K.T.B.A

Juicy Julie Mendoza, 36-24-36, from Eastbourne is in a class of her own. Performing in front of a crowd every day, ordering young men around and punishing the naughty ones. Can't be easy being a teacher!

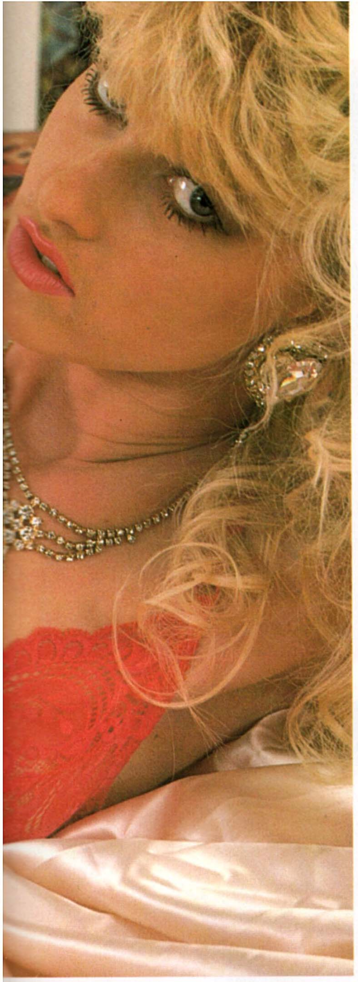
"Well, it's not all bending over desks!" laughed the 23-year-old, who works at a sixth form college in the Midlands. "But I do have to take the students in hand every now and again. At least I never have any trouble keeping their attention!"

We're sure of that. So what got Julie into modelling?

"I used to do it years ago for



karen



If the thought of taking a few private lessons from 20-year-old Karen (34-24-32) drives you up the wall, round the bend and wild with lust, it's quite understandable. For when the booby babe from Boston, Lincs isn't slipping off her knickers for *Mayfair* she's hard at work being a part-time driving instructor!

"When I tell people what I do for a living, no-one ever believes me," the blonde stunner smiled as she slowly reclined, undid the safety belt of her suspenders and showed us her luxurious upholstery. "I just like the idea of teaching

inexperienced people how to handle themselves under pressure."

And Karen's brand of the thigh-way code applies to the back-seat too!

"I once gave a guy I fancied an extra half hour at the end of the lesson, just so we could get a few of the stickier points licked. I showed him how I selected the right gear, (tight leather mini skirts); how to read the right signs, (like me licking my lips and uncrossing my legs); and how to pull over, practise a few manoeuvres and then quickly pull out again!"

"They'll say how nice my boobs looked, or how they'd like to stroke my bare bottom," purrs the not-so-shy, 21-year-old. "One guy even reeled off my vital statistics in the middle of a City wine bar!

"It's wonderful to know that so many men would like to do naughty things with me under the duvet covers. Who knows? I might even take a few of the more interesting ones up, if you know what I mean!"

Melanie Brown's had her problems in the past, particularly when it comes getting to grips with the opposite sex. Thankfully we're pleased to report that she's finally got the problem licked — thanks in no small part to her sexy appearances in this very magazine!

"Now whenever I'm at a party or out for a drink, I'm recognised straight away," giggles Melanie (38-25-34), feigning embarrassment. "Men are always coming up and telling me how much they

Since her last appearance in Vol 27 No 13, Nikki has done something we'd all like to do, but haven't the nerve — no, not go to Streatham — but go bungee jumping!

"I went along with my mates. They'd all done it before and said I should give it a go, too," laughed the spunky 20-year-old. "I was terrified! I've done some daft things before, but I'd never gone this far — and even *that* was between two consenting adults and a snorkel!" joked Nikki (38C-24-36).

"Still, I did it. I went 200 hundred feet up and jumped off. I knew it would be quick, but I'd never gone down so fast in my life! Except behind the bike sheds with my first boyfriend!"

It's hardly surprising Rachel Smith-Edwards can't take her hands off those amazing 36D boobs — her boyfriends have the same problem! "There's nothing quite like having a fella nibble my nipples under the stars," giggles the tall, slim 20-year-old who toned her perfect bum cheeks as a swimming tutor on summer camp in the States last year. "I would sneak off in the middle of the night with a guy from a nearby camp and we'd play sexy games till dawn. I'd never been so adventurous with a boy before!" Sounds very interesting! What a time to run out of space..!

"We had this absolutely gorgeous man come in the other day who wanted to give his girlfriend something special for her birthday. I got a bit

carried away modelling a few of the pieces and ended up striping down to my panties for him out the back to show him how they should be worn in bed!

"He was so grateful he gave me this lovely necklace, and said if he comes again he'll give me a pearl one..."

FRENCH LETTER

Oh wow! What a talent you have in Celine (*Mayfair* Vol 27 No 13). Speaking personally, the excitement in men's magazines is all about coming across a girl who has never before taken her clothes off for the camera. Celine is my favourite ever find!

The thrill of being invited to watch as Celine peeled away her bra to reveal a pair of pert breasts for the first time was second only to the pleasure of seeing her slip off her panties. As I admired Celine's perfect French form being revealed inch by inch, I couldn't help but imagine that I was in the room with her and she was stripping off just for me, ready to open her legs for me and take me inside her loving body.

That coy look in her eye as she bared her lightly tanned skin convinced me that Celine was enjoying the sexual excitement of her *Mayfair* debut just as much as me. It must have been like losing her virginity all over again — but with the added advantage of having her experience on film! Thank you Celine for sharing your most sensual moments with us and don't leave us too long without a repeat performance. — Paul, Taunton

NEIGHBOURHOOD WATCH!

I am a relatively new reader of *Mayfair* and have been wondering how on earth you select the girls for your *Quest* feature.

You see, I am a rather highly sexed young lady, but while I have been propositioned in most ways, I have never told anyone about my sexual experiences. So just to be on the safe side, I thought I'd tell you all about what happened to me — I don't want anyone missing out on hearing about my adventures!

One hot day during the summer I went to visit my neighbour and business partner, Julie. Getting no answer at the door, I decided to go around the back and see if she was sunbathing in the garden. But nothing prepared me for what I saw!

Julie was lying on the lawn, completely naked and next to her was her boyfriend, Mike. I was just about to call out when I realised that he was naked too! As I wondered whether to call out or not, he rolled over to kiss her. I stood transfixed as he kissed her all over her face and bosoms and lay on top of her, then slid his erection slowly into her.

Pausing, he pulled out of her till just the tip of his cock was touching her, then eased back inside till his balls pressed against her love mound.

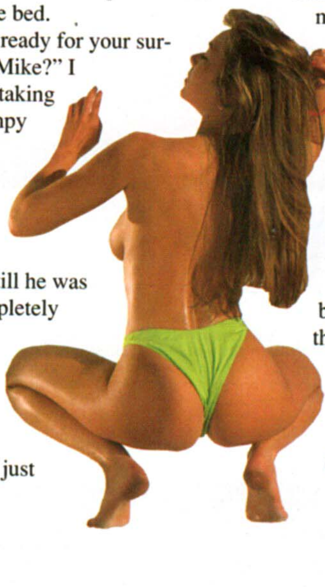
I had never particularly thought of Mike as sexy until that moment, but suddenly I wanted him more than I'd ever wanted anyone, for he had quite simply the biggest cock I had ever seen. I vowed at that moment to get better acquainted with Mike and his manhood.

I tiptoed away and rang Julie up that evening and arranged to meet them both for a drink to discuss business. We met at the local bar, and while Julie was getting the drinks, I invited Mike to my place the next day on the pretence of discussing a surprise I was planning for Julie's birthday. He smiled at me, with what looked like a wink of understanding.

The next day at the appointed hour I answered the door in nothing but my bikini.

"So, Jackie, what's this surprise you've got in mind?" he said, raising an eyebrow. This was my cue, I whipped my top off and told him the real surprise was for him. Without another word I took his hand and led him upstairs to the bedroom. I shut the door behind us and pushed him down on the bed.

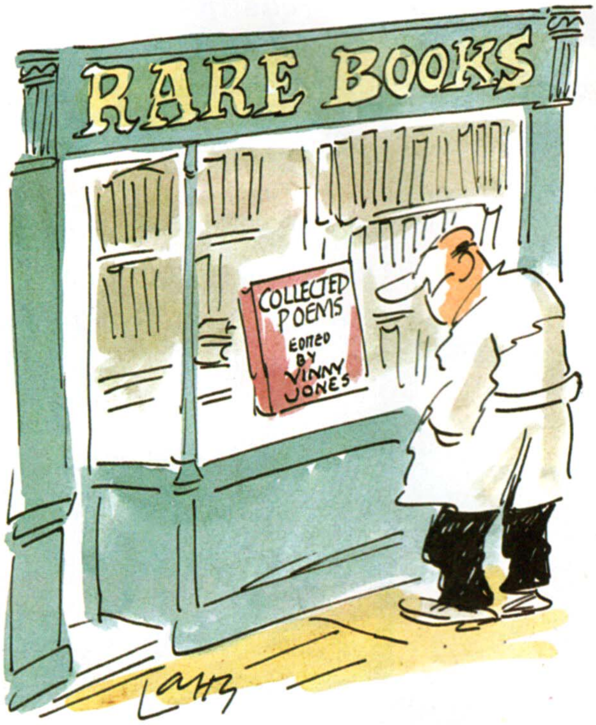
"Are you ready for your surprise, then Mike?" I whispered, taking off my skimpy little bikini bottoms.



He nodded, and peeled off his clothes till he was almost completely naked. He was clearly aroused, and more importantly just as well endowed as I remembered!

Kneeling in front of his bulge, I put my fingers in the sides of his briefs and pulled them down slowly. Out sprang his enormous tool. I grasped it with both hands and put my lips around his purple end. Then, flicking my tongue over it, I pushed my head down and slid as much of his fantastic cock into my mouth as I could.

He grew even bigger and harder as I sucked back and forth on him, though even with his cock touching the back of my throat my lips only reached halfway down his shaft. I carried on licking and slurping my way right round his helmet, tasting his delicious oozing cream.



I could hardly catch my breath with excitement! Here was the biggest cock I had ever seen in my life and I had it completely at my disposal. My own juices were now flowing between my thighs as Mike opened my legs further. I wanted him to have me the way I'd seen him fucking Julie so beautifully, so I pulled my over mouth off him and rolled onto my back.

With one movement Mike was on me, cupping both my bosoms and teasing each of my nipples with his tongue. I put my arms up above me and gripped onto the headboard, biting my bottom lip in anticipation.

Suddenly, he slid his cock right into me and slowly began easing himself in and out. I almost felt like I was being fucked by two cocks at the same time as my hole was filled like never before.

He began that slow rhythm that he had obviously perfect-

The latest series of press ads for Gossard cleavage-enhancing Wonderbras caught our eye — and nearly put it out! The stunning model with the gravity-defying doobries is accompanied by the lines 'Who says diamonds are a girl's best friend?' and the even sexier 'Say goodbye to your feet'. Looks like those grey-faced ad-men are finally waking up to the way women really think!

TALKING HEAD

Now we know from your letters that vibrators can be used in many weird and wonderful ways but who'd have thought such plastic pleasure tools as the Double Finger Vibrating Vibe would be considered art? It took an artist by the name of Tim Head to reveal their finer side, arranging a variety of towering dildos to resemble a modern cityscape in a piece entitled *State of the Art*. Head straight for the Whitechapel Gallery, London to see his latest works until February 28.

Even ex-Coronation Street star Chris Quentin had the cheek to show up, handing out his own form of advice on the spanking seat, while DJ Rubber Reg had the PVC-clad clones strutting their funny stuff on the dancefloor till the wee wee hours. Spare a thought for the girls who shook their shivering little tushes on the catwalk last month — even the Emperor's new clothes were more substantial than some of these threads! London's latest fashion shows by designers such as John Richmond reveal a transparent trend towards the minimalist, to say the least. Still, it must save plenty of time on the stitching.

93 IN THE SHADE

This somewhat dismal shot of a girl in the black stuff (*below right*) is taken from this year's Unipart calendar. The glossy but gloomy year planner was photographed by that lucky Lord, Patrick Lichfield, and though it has its brighter moments, we found it a bit too dark in parts — especially the important ones. If all we can look forward to in 1993 is a year of black Wednesdays then roll on Christmas!

ed over the years, getting faster and faster as the bed started creaking in rhythm. I just hoped Julie was out next door! Mike put his hands either side of my head and lifted himself up off me so that just his feet and hands were touching the bed.

I ran my hands over his muscular chest, which by now was bulging as much as the rest of him. The sight of him powering into me like this pushed me nearer to my orgasm as I ran my hands down his sides to his tightening balls.

"Oh God! Yes, Julie, that feels so good!" he cried, smiling, as he went into overdrive and thrust even harder. I lifted my legs up and wrapped them around Mike's bum as his whole body tensed.

I've never felt a man come in me before, but it felt like someone was turning a shower on up my fanny as jet after jet shot up into me. This orgasm made every single nerve in my body tingle with pleasure as I came too.

But he hadn't finished yet. He pulled his still erect cock out of me and shot the last of his spunk all over my trembling tits, face and hair. The sight of this massive cock exploding spunk all over my body sent another climax through me.

After a session like that, you can rest assured I didn't let him or his gorgeous cock out of my grasp until well into the night. And to think I never even thought he was attractive!

Although Julie would kill me if she found out, I certainly now believe you should love thy neighbour! — Jackie, Liverpool

DOWN MAMMARY LANE

I'm a dedicated reader of *Mayfair*, but after years of reading about other people's sexual experiences, I thought it high time I confessed to my first sexual experience when I was a young and randy lad of 18.

I had been asked to go to the flat of a young woman called Margaret who was a friend of the family. She was a nanny, and as the family were off on holiday, she was alone there in her quarters. I was sent round to help give the house a good spring clean, and get some things down from the loft.

Margaret was quite beautiful, with long brown hair, huge tits and a lovely figure. I kept such thoughts to myself though as she got the step ladder out and said, "I'd better go first, I know how to open the hatch. I should really have worn a longer skirt for this, you know, so promise not to look!"

Like hell! She climbed up the step ladder, struggled to open the hatch and stepped up into the loft. And did I get an eyeful! She was wearing a wide, but short, floral skirt which billowed out every time she moved.

I had a glorious view of stockinged legs, suspenders, and gorgeous lacy panties — and from every direction!

We got the stuff down, and then sat and had a coffee on her settee.

"What a bloody way to spend a birthday!" she said. "Climbing all over a dusty loft!"

"I'm sorry," I said. "I didn't know it was your birthday. I would have brought you something."

"Never mind. I tell you what, you can give me a kiss instead!" She moved closer, put her arms around me and gave me the sexiest kiss I had ever had.

"That was nice," she whispered, "but I'd like 29 more. You see, I'm 30 today." I soon gave up counting as we kissed, her mouth wide open, her tongue probing my mouth. She took my hand and guided it to her breasts.

"Mmm, feel my tits," she mur-

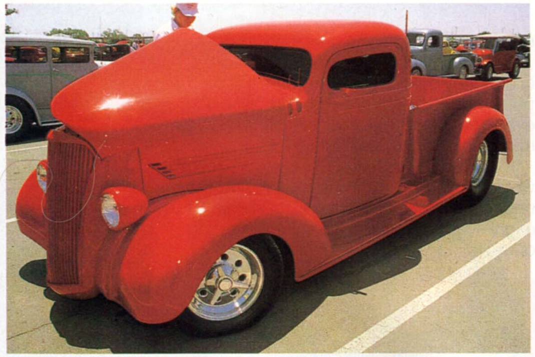
TORQUE TALK

Is yours chopped, dropped, lowered, louvred, frenched, blown, painted or polished? Motoring correspondent ***Hugh Laver*** *reveals all...*

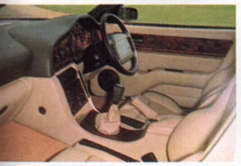


Top-chopped '37 Chevy: red hot chick pick-up

It says a lot about Americans that the best-selling car in the States is the Honda *Accord*, and by such a margin that the company is considering moving its corporate HQ to the US where it now sells more cars than at home in Japan. Mind you, if proof were needed that the Yanks are still basically nothing but a bunch of Bud-swillin' redneck cowboys, the one vehicle which continues to outsell the *Accord* in America is the Ford *Pick-up* which last year chalked up nearly half a million sales.

Aston Martin Vantage: three sold already! Below: spot the Sierra switchgear

Just what they do with them when they get home is the subject of Colin Burnham's *Custom Pick-ups* (Osprey Books, £11). Inside lurk more than 100 stepsides, fleetsides and stylesides — not just Fords, but also Chevys, Willys, Jimmies, Veewees, Dualies and Flatties — which have been chopped, dropped, lowered, louvred, frenched, blown, chromed, channelled, panelled, painted and polished, and all in the name of — what exactly? Well I can't understand half the jargon let alone the motivation, but the pictures are good and chart America's strange but strong obsession with the humble utility vehicle and the mysterious Blue Dot...



However, pick-ups and Hondas aren't the only vehicles sweeping all before them across the States. Aston Martin boss Nick Fry recently boasted, "we've done nothing in the US for ages, then suddenly we sold three cars". Three, gosh. This is clearly in part due to the company's ability to somehow cling to a reputation for rare, bespoke handmade quality despite a habit of using other people's bits and bobs to build its own cars. These, after all, are the people who use VW tailights on the £132,000 *Virage* and who stuck an *Escort* tailgate on the back of the £165,000 estate car. Even the new *Vantage* — priced for a quick sale at £185,000 — uses *Sierra* switchgear. Fry doesn't care who knows it either: "We'll use components from anywhere — whatever works".

Meanwhile the secretive Sussex-based design consultancy IAD is building a limited number of Audi *Spyders* in order to evaluate them for future production. This means another headache for troubled Porsche who, rumoured to be ripe for a takeover by VW-Audi, recognise that the delectable *Spyder* could steal thousands of their customers.

It was IAD who were responsible for the Mazda *MX-5*, one of the 80s' best. For the 90s they've come up with a new open two-seater, this time for AC Cars, who still build cars the proper way — by hand — within the old Brooklands banked race track. AC's first all-new model for 20 years, the fourwheel-drive *Ace* uses a choice of a Cosworth-Ford or Yamaha-Ford V6 and will sell for around £45,000. In fact it's just one new design currently planned for production by this, the UK's oldest car manufacturer. Best known for the *Cobra* which raced to triumph in the 60s (and which is still in production for £100,000 apiece) they've been at it since 1901. Small really is beautiful when it comes to putting the British Dream back on its wheels.

Audi Spyder: topless beauty

Finally Lotus, the company which pulled out of the open-top sportscar market just as the smart money was moving in, has unveiled the latest version of its sole surviving model. The extremely yellow *EspritSport-300* is 250lbs lighter than the old one, Lotus technical development engineers having skilfully ripped out the digital clock, dashboard speakers and carpet underlay to save weight. Aware perhaps that if you set your sights very low you won't be disappointed, the company says it'll be happy to sell just ten of them — makes you weep doesn't it?

LIFE SENTENCE

A long-legged Latin with a big aria was music to ***Charlie Munro****'s world-weary eyes when crawling the opera bars in revolutionary South America*

Chile Gone Barmy

I was trying to listen to the guy sing, but I kept staring at him instead. He was built like Pavarotti with a bald head the size of a honeydew melon.

I had heard about the opera bars in Santiago, Chile's capital city, and on finding myself a little further down Mexico way than planned, decided to investigate. I was in the mood for something different, and I certainly found it. I should explain that this was January 1986 and Chile was still under the oppressive military dictatorship of General Pinochet.

Anyway, there I was in this back street opera bar, getting pissed among the punters. The bar was decorated in heavy wood panelling; half a rainforest of the stuff. This big guy with the small head was meandering through the sea of small tables, singing his bollocks off.

Moved by his passionate finale I ordered another bottle of Chilean brandy. But if I was moved by the big guy with the small head, then what followed was earth-shattering.

I heard her before I saw her. Her voice was like a caress. I looked around and caught sight of her slowly walking past the pianist.

She was around twenty with darkish blonde hair, a shapely body and eyes the colour of emeralds. To top it all, her voice was beautiful. As she headed in the direction of my table I gulped another brandy. *Carmen* never sounded so good.

She walked up to me and paused to sing one of the opera's softer arias. Her mezzo soprano voice melted through my ears and down to my groin. I wanted to propose marriage...

By now, those emerald eyes were piercing my very soul. Any second now, she would move on to another table and the moment would be lost.

I plucked a rose from the vase on my table and offered it to her. She took it, smiled the sexiest smile I'd ever seen, and blew me a kiss before walking slowly away. I was in love.

The last notes of the aria faded to silence and the crowd went wild. She curtsied gracefully before disappearing behind a red velvet curtain.

I went back to my brandy and settled down to listen to the big guy with the small head again.

A couple of minutes later, to my surprise, the beautiful singer with the green eyes came and sat at my table. I was lost for words — until she spoke.

"You like opera, yes?"

"That depends on who's singing," I replied, regaining my speech faculty. We introduced ourselves and I discovered that her name was Iris (pronounced 'Eeris').

I could've talked to Iris all night, but for two things. One, this was pre-democratic Chile and there was a one o'clock curfew. And two, she was married to the pinhead Pavarotti.

I turned to look at him, and he glared back. "I think your husband is getting upset," I told Iris.

"Tonight... I am yours, Charlie," she whispered.

I couldn't believe my ears, or my luck. She made it perfectly clear that she wanted me. She stressed her point by squeezing my thigh. That was it. Fireworks.

I glanced at my watch. It was a quarter to one. I noticed that the bar was already almost empty.

"Meet me outside in five minutes," I said, casting both my reservations and good sense aside. Her smile was all the encouragement I needed. I was out of there.

I managed to secure one of the two remaining taxis waiting outside and handed the burly driver a $20 bill just to keep the engine ticking over.

The driver turned to me and started stabbing a finger at his watch. Resigned to fleeing the ball without my belle, I said, "Okay, let's go." Just then, the door of the cab was flung open and in leapt Iris, yelling something to the driver who sped away. I was just in time to see her husband come charging out of the bar and jump in the last taxi which began to give chase.

Iris pulled me back on the seat and planted the biggest kiss on my lips. It was lovely, but out of the corner of my eye I could see Mr Big shaking his fist out of the car window.

"This is crazy! Your husband will kill me!" I burbled at her. "He no catch us. I know this driver," she said in a reassuring manner. Somehow, I was feeling far from reassured...

Did Charlie lose his trousers or his head? Find out next month...

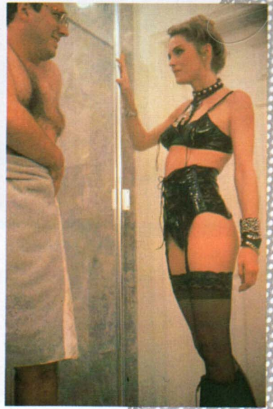
Dirty Dishes

Every day it gets more and more difficult to see uncensored sex movies on video here in the UK, so the dedicated enthusiast is turning to satellite as one way of satisfying his voyeuristic desires. ***Allan Bryce*** *dishes the dirt on the variety of uninhibited erotica you can pick up in the comfort of your own home...*



Pssst! Want to see something smutty? You don't have to send off large chunks of your hard-earned to dodgy addresses in Amsterdam. No, all you need to do is get a satellite dish and decoder, to see some sights that will have your horizontal hold doing backflips!

Despite the British Government's attempts to censor it, satellite porn has been with us for some time now. Legislation here has little control over something broadcast from another country, though foreign satellite stations scramble their signals — effectively ending *Club Erotique*, a game show in which European housewives and amateur models regularly stripped off to music, a format which beats the hell out of *Lucky Ladders*.

The search for small screen smut begins at Dixons where you can purchase an Amstrad dish and tuner for around £200. This gives you access to all the programmes broadcast from the Astra satellite. At the moment there are about 31 channels that carry programmes on the Astra satellite. Most of these are 'scrambled', which means you can't get them without renting a decoder and a 'smart card'.

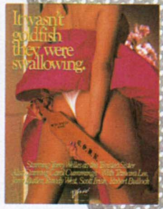
The only purveyors of hardcore porn on Astra are **Filmnet**, a film channel that shows new-ish English language features. Filmnet shows full-length hardcore porn — mostly of the American variety. These films are totally uncut in any way. Recent screenings include the 1989 *Beauty And The Beast 2,Satisfaction Jackson* and *Deep Throat*.

But to see these you're going to have to pay through the nose. Earlier this year Filmnet changed to 'Eurocrypt', a type of scrambling that the manufacturers of pirate decoders have not yet cracked. Amstrad have just brought out a new satellite tuner which has a slot for a Eurocrypt card. If you buy one of these, get a Filmnet viewing card direct from the company in Holland, then you can watch porn until the cows come home, knowing they can't touch you for it. The only snag is the price: £400 for the tuner, and £250 for the card!

For those with milder tastes, there is also a scrambled UK service on Astra called **The Adult Channel**. You can check out the quality of this by tuning in at midnight, when there's a 'preview' of what you are missing by not subscribing — sex comedies, *Emmanuelle* pictures etc — and all for a mere £50.

In recent months **Red Hot Dutch** has arrived. Beamed from Holland, this channel broadcasts the hottest hardcore features around — all brand new American product. Red Hot Dutch is broadcast from the 'Eutelstat' satellite, and if you want to receive it the company supplies you with a gadget to modify your existing dish. The cost is about £50, plus about the same again for a quarterly subscription. This might sound a lot, considering how few films you get, but the channel do broadcast the hardest stuff around — no bullshit! As from January, viewers will also be able to subscribe to **MTX — The Sex Channel**, from only £99.

But even if you can't afford one at the present you can still get some fairly saucy entertainment for free from the Astra satellite channels. Top of the pops for armchair oglers is **RTL Plus**. This is all in German, but that doesn't really matter! RTL Plus is notorious for its soft porn content, and has been dragging in huge UK audiences for *Tutti Frutti*, a naughty game show in which beautiful models take their tops off. *Mayfair*'s very own Tracey from Vol 27 No 12 was one of them! In between, the bemused-looking contestants play stripping games that make Bruce's antics on *The Generation Game* look pathetic. Nice to see them, to see them — nice! RTL also have their *CineClub* presentations, which include movies by Russ Meyer. I've enjoyed watching Meyer's *Vixen*, *Supervixen*, and *Cherry, Harry and Raquel*.



As any hardened satellite viewer knows, Saturday night after ten is the best time to start tuning around for smut. I tried it this weekend and came up with a couple of vintage sex movies, a French film about a group of prostitutes, and an early *Electric Blue* with Linzi Drew — all unscrambled and freely available.

It's a growth industry, and more and more channels are coming on line all the time, with station bosses realising that the sexier the programme the bigger the audience. I have a feeling that porn fanciers are in for even more hot treats as we move into the naughty 90s — spanking and chocolate sauce channel here we come!

Like a man once said in a famous old science-fiction movie, keep watching the skies...

All the pictures shown here are just a taster of the sort of sex scenes now being beamed into Britain from above

CHANNEL HOPPING

RTL Plus (including CineClub) (channel 2); available free with a decoder. Tune in at midnight on Saturdays for a faceful of perfectly formed tits courtesy of *Tutti Frutti*, the game show with more pricks than *Bullseye*. The smooth Euro-host even manages to persuade the contestants to get 'em off as well — but there's nothing in this game for two in a bed!

Canal Plus (channel 5); if you've got a really big one (satellite dish, that is), you will be able to tune into this fornication-filled French station on the TDF IA Satellite. Here the phrase "I've got a frog in my throat" takes on a whole new meaning!

SAT 1 (channel 6); we're stuck in a log cabin with half a dozen naughty nymphomaniacs. "I sit on your face. Ja?" asks one, while another thrusts her ample boobs into your mouth! Did you dream it? No, you fell asleep watching a late-night wankfest on SAT 1. The place to be for birds with big knokkerwursts.

TV 1000 (channel 7); okay, so it's in German, but movies like *The Private Afternoons of Pamela Mann* speak a universal language. Georgina Spelvin tossed this one off in 1974, and *The Devil In Miss Jones* star has never been sexier than in this bright, erotic comedy, where she swallows more semen than Moby Dick.

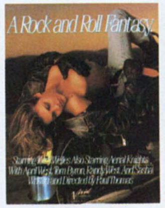
Filmnet (channel 11); requires a £400 decoder and a £250 card!; shows full-length hardcore porn movies on Astra. "Do you mind if I smoke while you eat?" asks a horny chick, lighting up as a stud sticks his tongue up her love tunnel. You're watching *Deep Throat*, and not one moment of this erotic classic is cut from Filmnet's late night screening — so keep a hanky by the set when you tune in at midnight on Saturdays...

Sky Movies Plus (channel 16); it's broadcast from the UK, so you can expect all the sort of thing you see crowding the shelves of the adult section at your local video shop. You want good quality soft-core? Then this is the place to come...

Red Hot Dutch (channel 22); needs a Twin LNB; shows new full-length hardcore movies, mostly American. If you're fed up with all those exercise tapes then why not plump for *Buttman's Ultimate Workout*? Every form of explicit sex is explored in this typical example of the kind of movie you can expect to see.

The Adult Channel (channel 26); available with a decoder. Broadcasts sexy softcore seven days a week from midnight. For example, *Dish Of The Day*: Buxom brunette Doreen ("I like my men to have nine inch cocks!") rubs butter on her boobs and has an orgasm on the kitchen linoleum...

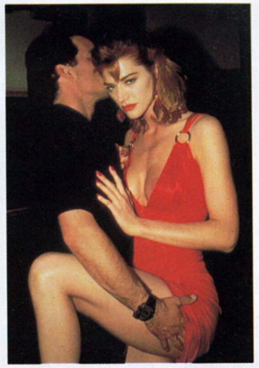
MTX — The Sex Channel (from January); requires a Twin LNB. Straight from Amsterdam comes 7 nights a week of uncensored raunch. The first three hours are your typical sucking and fucking as displayed in movies like *Bush Whackers*, where Kelly Blue and Diedre Holland do some imaginative tricks with jumbo-size vibrators. If you pay a little more you will get an extra hour of 'specialist' material..!

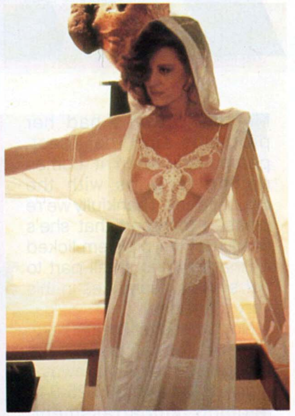


HVC (cable); this popular softcore channel usually reserves its sexy stuff for Saturday nights, when you can get your rocks off to continental sex movies like *Virgin Wife*, with blokes who screw with their boxer shorts on. Still, there's nothing like practising safe sex...

CLOSEDOWN

Remember there's still one place where you can see stunning girls behaving saucily at home without a dish or decoder for only £1.95 a month — *Mayfair*, of course!





BUT WILL YOU GET NICKED?

No, a broadcast, however rude, can be watched legally so long as:
1) The material is not considered obscene in its country of origin.
2) Your reception equipment has been made available legally to viewers in the UK (even if purchased from abroad).
3) Material shown is not recorded or lent or sold to others.

IT'S HORNIER AT HOME

What does your wife do when she's home alone? Confess her filthiest secrets to a guy with a video camera? Possibly! At least that's what producer **Roger Bristol** found when he was looking for a new angle on producing naughty videos.

Impressed by *Mayfair*'s *Quest*, he wanted to film a series of tapes featuring women telling their sauciest secrets and fulfilling their filthiest fantasies, so he invited them to the studio to discuss it. Immediately, they clammed up tighter than a duck's arse, so instead he took his camera to them. The difference was amazing.

"In familiar surroundings, all sorts of girls were prepared to talk dirty," he said. "I was shocked by the sort of things they were discussing — and in some cases doing — in front of my camera!"

Roger captured ordinary women frigging themselves on the sofa as they spoke about their dirtiest desires and lesbian fantasies. One girl even tried to shag Roger!

"Confessing all had got her really horny, and she was fingering herself as she spoke. Suddenly, she pushed my camera onto the floor and jumped on me!"

Sadly, this is not on Roger's *Private Tapes* (Insite Productions), but a great deal of filthy talk from randy women is. To find out the complete list of subjects and prices, write to P.O. Box 1154 The Chantry, 99a High St, Marlborough, Wiltshire.

LADIES LOVE PORN!

Did you know that almost 40 per cent of X-rated videos are rented by women? The result is that a whole series of videos featuring erotic love-making (which appeals to women more than the hardcore variety) are becoming available.

One of the most successful producers of this erotica is a woman, too. Ex-porn star **Candida Royalle**'s Femme productions are now available in Britain for the first time.

"I want to represent women's sexuality and their fantasies," she says. "Sex is a reason to celebrate!"

The first of her films, just called *Femme*, has no story but lots of saucy episodes cut together in the style of a pop video. Sadly though, some of the scenes have been chopped by the BBFC.

Her second film, *Three Daughters*, tells the story of the early sexual encounters of three college girls and cost $70,000 to make (expensive for that market).

Later works include *A Taste of Ambrosia, Sensual Escape* and *Christine's Secret.* All are available from World of Video Collector (tel: 081 712 9177). Sounds like a good way to find out what really turns women on!

SUPER, SMASHING, SHIT!

If you're one of those people, as **Dennis Norden** would say, who find *It'll Be Alright on the Night* about as entertaining as vallium, then you might prefer the ruder version now available on video. *Television's Greatest *!?* Ups!* (VCI Video Cert 18) contains some memorable bloopers — but with the swearing left in! One of the foulest mouths belongs to mild-mannered **Jim Bowen** of TV's *Bullseye*. His four-letter outbursts are definitely not Sunday teatime viewing!

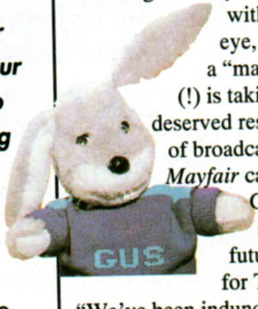
PUPPET ON A SHOESTRING

The television world is still rocking from the news that TV's longest-serving puppet, rabbit **Gus Honeybun**, has been forced to retire following West Country TV's takeover from TSW. At present the bouncing birthday request bunny with one winking eye, waving ears and a "magic mushroom" (!) is taking a well deserved rest after 37 years of broadcasting. But *Mayfair* can reveal that Gus is not in a stew over his future. A spokesman for TSW said, "We've been indundated with offers from organisations who want to use Gus..."

Gus's personal secretary added: "Gus wasn't sacked, he resigned. And we reckon he could well become a national TV star, after all he's had more experience than that gopher!"



MODERN MANNERS

Essential etiquette problems tackled from behind by **Lavinia Garden**

Etiquette is important for modern living. It seems sometimes the only occasions some men think about P's and Q's is when there's a line of them waiting to use the lavatory. *Mayfair* readers are much more discerning, I'm happy to say, and as these enquiries show, they care about doing things right.

Pinkie and Percy

Dear Lavinia, I was recently served tea by Lady (name withheld) and, as I picked up her delicate bone china cup, I wondered whether these days it is correct to have my finger out at the time... — *Sir Percival Epping*

Of course you should, Percival. It would give you another free hand, and besides, Her Ladyship might find it uncomfortable bending over for the bourbons with your digit still probing her pussy.

Jacket Off?

Dear Lavinia, can you tell me the correct way to eat a Spud-U-Like baked potato? Is it considered polite to eat the skin? — *Mark, Winterbourne*

True gourmets tell me that most people of taste leave the potato altogether and eat the carton.

Choc-a-Cock

Dear Lavinia, I am preparing a late night meal for my boyfriend followed by a sumptuous dessert. Can you tell me the correct way to serve the hot chocolate sauce? Should it be in a jug or boat? Or already on the dish? — *Antonia, Richmond*

No, it should be daubed over your breasts after the meal so he can then lick it off. Also have your caterers keep another portion of sauce warm to pour over his member prior to licking or sucking him off. It tastes nicer than pork on its own.

Hunt Balls

Dear Lavinia, can you please tell me the correct way to address the Master of the North Yorkshire Hunt at this year's stag meet in February? — *Archibald, Harrogate*

I think, "You sadistic murdering bastard!" is the most appropriate, don't you?

Early on in their term of office the government realised they had a problem. No, it wasn't rampant unemployment, business collapse and a falling pound: it was the far more vexing problem that nobody could remember who they were. However, the tepid Tories soon came up with a very clever remedy for their invisibility: cabinet members were to involve themselves in a series of outrageous scandals, mostly of a sexual nature, and pretty soon their faces (and their bedroom habits) would be instantly recognised by everyone in Britain.

But have they succeeded? Can you remember who did what to whom, where and how? Here's your chance to find out...

1. Government minister and well-known sportsman David Mellor was in the news a lot last year. Can you remember:
   a) Which football team's strip he wore when playing away from home?
   b) What his position was (within the government, of course)?
   c) The name of his mistress?
   d) Who the two people were who said they would 'stand by him', and which one later dumped him?

2. This chirpy fella was alleged to have bought chilled champagne and a packet of cheap'n'nasty cigarettes for a secret assignation — but it later turned out the whole thing had been made up. Do you recall:
   a) What his name was?
   b) In what seedy part of London he allegedly bought the champagne?
   c) What he insisted he really bought?
   d) Why anyone was bothered about the story when he was already screwing the whole country anyway?

3. The same minister was found to have used over £4,000 of 'public money' — that is, *our* cash — to evict a 'sex therapist' from his private flat.
   a) Who was the 'therapist'?
   b) What link is there between her, his over-run Access bill and the phrase 'strapped for cash'?
   c) What would the minister have got for our four grand if he had decided to spend it on his tenant's professional services?
   d) Why do most of the people we trust to run the country on our behalf act like stupid little public schoolboys on a trip to a nudist beach?

Entertainers need publicity just as much as politicians, and they know that sex is the quickest way of getting it. Sometimes, though, it's more of a hindrance than a help...

1. A TV presenter swapped his comfy sweaters for more exotic clothing and got caught in the act for a second time.
   a) Who was he?
   b) What form of kinky clothing did he favour? And from which west London shop did he like to buy it?
   c) He enjoyed using a certain stimulant during his sex sessions — and it wasn't Ovaltine. What was it?

2. *The Gladiators* was a massive TV hit. But a leading contestant turned out to be a hardcore porn actor.
   a) Who was he?
   b) Apart from his hardcore roles, he had appeared in a famous 'educational' sex video. What was it called?
   c) He falsely claimed to have performed in a male stripping act. Which one?
   d) In *The Gladiators* he appeared next to presenter Ulrika Jonsson. Which one was sexier and by how much?

3. These days every film has to have its sex scene (apart from Woody Allen movies, of course — they have scenes with their analysts instead). This means we're seeing more of our rising starlets than ever before. Can you identify the actresses from these steamy roles they've played recently?
   a) This 'sinner from Pinner' travelled the world learning about sex from an older Japanese man.
   b) She played a murderous nymphomaniac bisexual author.
   c) She stole her flatmate's home, job and life... and nabbed her boyfriend with a raunchy oral sex scene.
   d) Her real-life boyfriend directed her in kinky sex scenes — she played a stunning but crazy French nymphette who took revenge on her American lover.
   e) Hollywood's first female road movie saw her giving Brad Pitt a torrid tumble in a motel room.

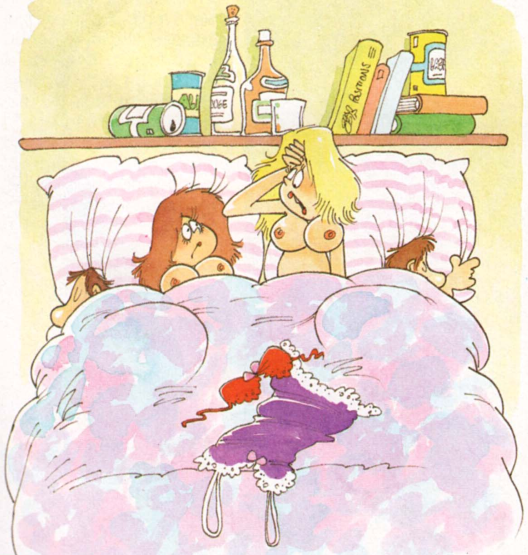
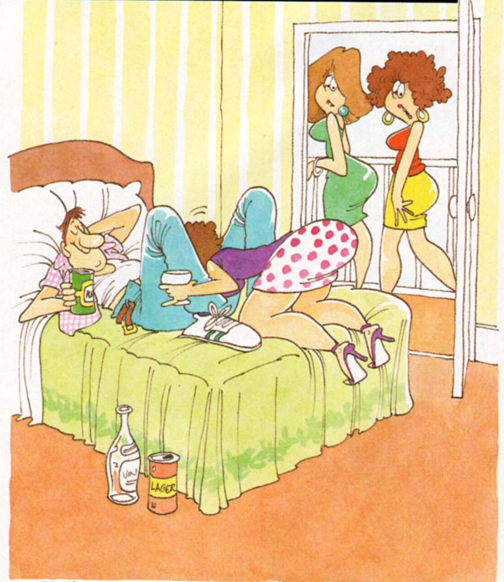
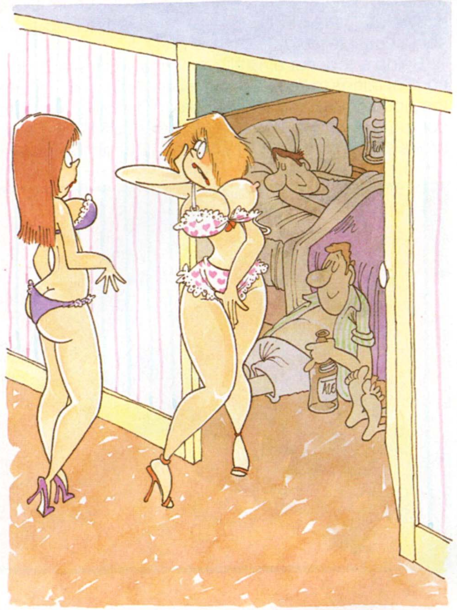
There's nothing worse than waking up to a bed full of girls and a head full of hangover, says piss-up artist Anthony, especially when you can't even remember if you enjoyed yourself



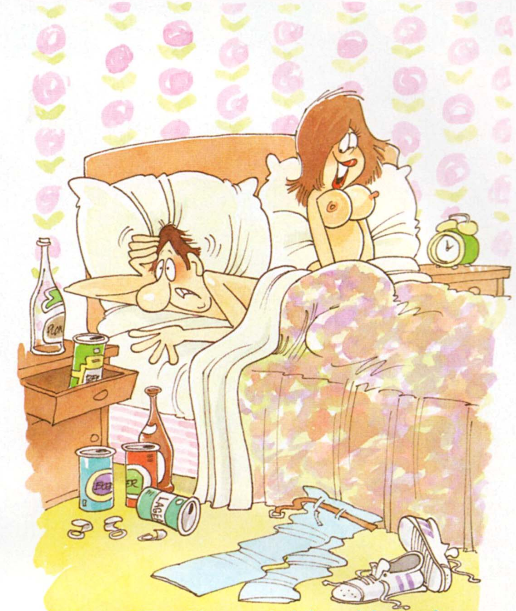
This is the bit I hate... waking up and finding out who I did it with last night



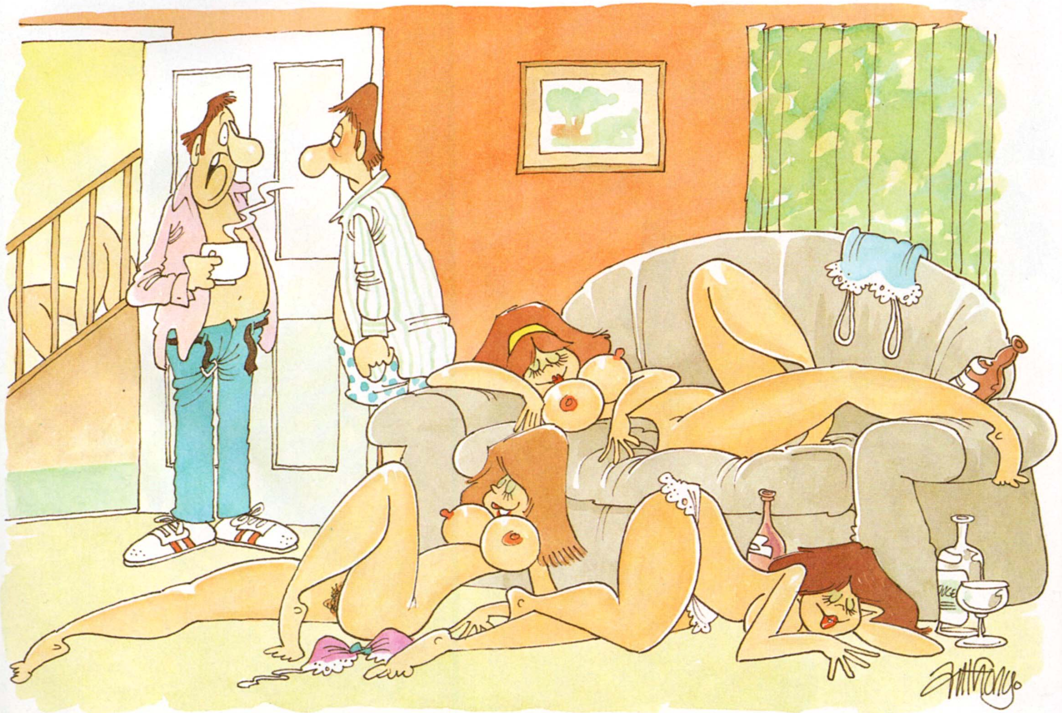
She's going to feel awful tomorrow morning if she mixes her drinks



It's not only my head that feels a little tender this morning



The only reason I let you do it last night was because you asked me to marry you



Crickey! You look rough, how many did you have last night?

QUEST

THE LABORATORY OF HUMAN RESPONSE

The love of sexy lingerie is such a popular subject among the readers of Mayfair —both male and female — that it's a topic to which we always return. This month, Quest talks to three women about the very different ways they arouse their partners with special lingerie, and how it keeps their sex lives on the boil...

PERSONAL FILE
Name... Mrs F
Age... 25
Sex... Female
Town of origin... Maidenhead
Other details... This MD's secretary is married to a doctor who has a fetish for silky lingerie. Though they've been together for five years, their sex life is as spicy as ever...

Quest: Many married women that we speak to say that their sex lives go off the boil after a certain amount of time: why is that, do you think?

Mrs F: I think it's because people don't work at their sexual relationships enough. I really do. My husband Ben and I have a very close, yet very open, relationship. We've always been able to tell each other everything sexually — all our deepest desires and dislikes, any problems that we might have been experiencing, everything has always been out in the open between us. We're not the kind of couple who like to indulge in wife-swapping or anything of that nature, but everything else goes as far as we're concerned.

Quest: When did your husband confess to you about his fetish for silky lingerie?

Mrs F: He didn't have to! I knew almost from the start of our relationship (we met when he was in medical school), because he kept buying me loads of presents — all beautiful, silky, sexy undies!

At first I didn't cotton on that he was kinky about them, but it didn't take too long. I remember the evening when we first really explored Ben's sexual fetish. He'd come over to my flat and I'd cooked a lovely dinner for him, with lots of aphrodisiac food like chocolate mousse, and was wearing a really sexy red dress with a low-cut V-neck and sheer stockings (silk, of course) which showed off my slim, firm legs to perfection. I knew that I was looking very good, and the lusty sheen in Ben's eyes when he saw me confirmed it.

When he presented me with yet another parcel, the third that month, I was pleasantly surprised — doubly so when I found what was inside it. There was a beautiful black silk all-in-one inside the wrapping: and Ben insisted that I put it on immediately.

The silk felt wonderful as it swished lightly against my naked skin, and all I kept on were my silk hold-ups as I smoothed the garment over my body. I made sure I did it really slowly so that Ben could savour each moment: his eyes were almost popping out of his head as I put both hands up to my boobs and moulded them, turning myself on so that the nipples stood right out hard like cherry pips, clearly visible through the black silk.

Then I got more daring, reaching down and fondling my pussy, which was already very wet and juicy, pushing the silky gusset up into my love hole with my slim fingers, delicately rubbing it all around my pussy, making myself gasp loudly with the orgasmic ripples that started to shoot all the way through me. Ben still hadn't taken his eyes off me, and I could see by the way his trousers were bulging out at the front that he was as excited as I was, his sperm rising in his balls as he watched me putting on a little personal show just for him.

"Touch my cock with it," he whispered to me, pulling off his clothes so that he was standing completely naked in front of me. His cock was stiffer than I'd ever seen it.

"You're really kinky about all this silk, aren't you, Ben?" I teased him, strutting around and posing in front of him, creasing the silk over every single contour of my body as Ben watched me. He nodded, feasting his eyes on me, loving the way that I was turning myself on for him, acting like a slut. "What do you want me to do?" I asked him.

"Touch my cock with it," he breathed. "Wank me with it!"

I reached down between my legs and undid the poppers that held the gusset together. The black silk parted, and I pulled Ben towards me, grasping his cock firmly then covering it with a length of the silk. His whole cock was enveloped in soft, smooth silk, and Ben closed his eyes as he revelled in the feel of it on his shaft. I gripped hard, just the way Ben likes me to wank him, and started to masturbate him, feeling the blood rushing to his knob end as the material moved up and down, slipping sensuously against his sensitive skin. His knob was soaked with the pre-come that was oozing drop by drop from his helmet, and I made sure that I 'accidentally' slipped the silk over it, making him gasp with pleasure. He moved to lie back on the floor of the kitchen, pulling me down on top of him.

Then I began to wank him in earnest, the friction of the black silk against his cock driving him wild. He grabbed me round the waist, his hands digging into me as he fought to hold his orgasm back as long as possible, his hands moulding the top of the all-in-one to my bouncing boobs as my vigorous wanking hardened his balls and made him groan with pleasure.

"I can't wait to see your creamy come all over this black silk," I whispered in his ear as I brought him almost to climax point. "Just shoot your load for me now."

With a great roar, Ben released a fountain of come all over my front, covering the all-in-one with globs and globs of his delicious spunk. I rubbed it in with my hands, loving the contrast of the white stuff against the black material, enjoying the sticky, warm strands seeping through my fingers. I put them into my mouth and licked the come off, swallowing it down, all the time looking Ben right in the eye, letting him know how turned on I was. He could feel it too — his fingers had worked their way between my thighs and he was playing with my swollen clitty and protruding love lips, spreading my soaking juices all around my pubes, making me more excited as he gradually found a faster rhythm.

"You don't know how much you're turning me on, doing that," I breathed, moving so that my gaping love hole was poised over his rapidly re-hardening cock. "Do you know how much I want to feel you fucking me?"

With his free hand, Ben reached down and wanked himself to full hardness, his hot, sticky shaft straining as yet another load of sticky come built up in his heavy balls. I'd never seen him so eager to fuck me before, rubbing the by now wet silk up and down his cock to arouse himself again, before slowly parting my wet cunt lips and pushing his fat, stiff knob end inside me, inching his whole length up deliciously slowly, savouring every thrust.

> "I can't wait to see your creamy come all over this silk..."

Because I was straddling him, I was able to control the pace perfectly, leading him faster to work me up to several delicious orgasms, which had me shivering with pleasure on top of him, and by the time his cock was fully hard again I was more than ready to feel it inside my slippery wet cunt, filling me right up to the brim with his meat. The sensation when the tip reached deep inside me, as far as it would go, and I rode it, circling my hips round so that I could feel the penetration fully, was absolutely incredible, and with Ben stimulating my clitoris all the time, I came again, shuddering and perspiring as I frantically worked towards my orgasm — a huge one.

From that point on in our relationship, I made sure that silky lingerie always played a big part in our foreplay. I even got Ben (until then strictly a white underpants man) into wearing silky boxer shorts himself: he'd get so turned on feeling his cock constantly rubbing against the soft material under his trousers that I'd be guaranteed to find an erection under there whenever I wanted one. And he still buys me tons of undies too — though black silk remains his favourite, for obvious reasons...

Quest: Thank you.

mured, unbuttoning her blouse. Just as I began feeling them she took my other hand and guided it up her leg, feeling her delicious smooth thighs, and then those lacy panties! My fingers slid inside them and felt her warm moistness.

"Oooh, do that again!" she gasped, as I pushed another finger into her hole. I admit I was fairly inexperienced at this sort of thing, but I must have done it well, because Margaret turned and asked if I'd like to see her cunt.

"Come on! Don't be shy. You've just been feeling it, and you've seen my tits. So go on — ask me!"

"OK," I said, still a little shy. "Show me your... cunt." She stood up and wriggled out of her panties. Suddenly she stopped.

"Just a minute. This isn't fair! If I'm going to show you my cunt, I want to see your cock..." I was still a bit hesitant, after all, it's not everyday you get ordered to undress by an older woman!

She helped me remove my clothes, saw my erect prick, and grinned. "That should do the trick all right!" she smiled, sitting down on the settee again and pulling up her skirt.

"Kneel down and have a good look." Now before this I'd only ever imagined what one would look like, but here in front of me was the real thing — a gorgeous, hairy cunt!

VOLUME
Larry

"Come closer," she said, stretching her labia to give me a better view. I did just that, and she pulled my head into her. Well, there was only one thing to do — lick that beautiful slit! As I did so, she reached down and fondled my cock encouragingly.

Everything was going just perfectly, when suddenly the door opened and the next door neighbour Kate came in. She had a key to the flat and had obviously come to help too. I nearly died on the spot, I could hardly hide what we were doing.

"God Almighty," Kate said, staring at me. "What the hell will your parents say about this, Gordon?"

I groaned in despair.

"I suppose they wouldn't ever need to know," Kate smiled, "as long as you let me in on your little game!"

I was so relieved I nodded madly. I went over to her, cock rampant, put my arms round her and kissed her. I whispered in her ear, "If you want to play, then do a strip for us — slowly — just keep on your stockings, suspenders, and high heels." She smiled and slowly, seductively undressed.

But by now I was really was out of my depth, and didn't quite know what to do next. Margaret noticed this, and helped out by sinking to her knees and sucking my cock, fondling my tight balls as she did so.

Kate moved in and began kissing me, crushing her tits against me. Then they changed places. I was getting really excited now, and my prick was bigger and harder than I had ever seen it. Again Margaret took control of things.

"Bedroom," she said, pointing. "Lie on the bed and leave it all down to us."

My cock was like a flagpole by now as Margaret held it with both hands and squatted above me, guiding it in. I kissed and fondled her tits as she moved slowly up and down, then Kate came in and squatted in front of Margaret, showing me all of her delicious, hairy fanny.

"Remember I'm in the game too! So lick my cunt you bastard!" She must have known that kind of talk would turn me on (and it did!), so I licked and nibbled at her cunt as she moaned and pushed herself harder down on my face.

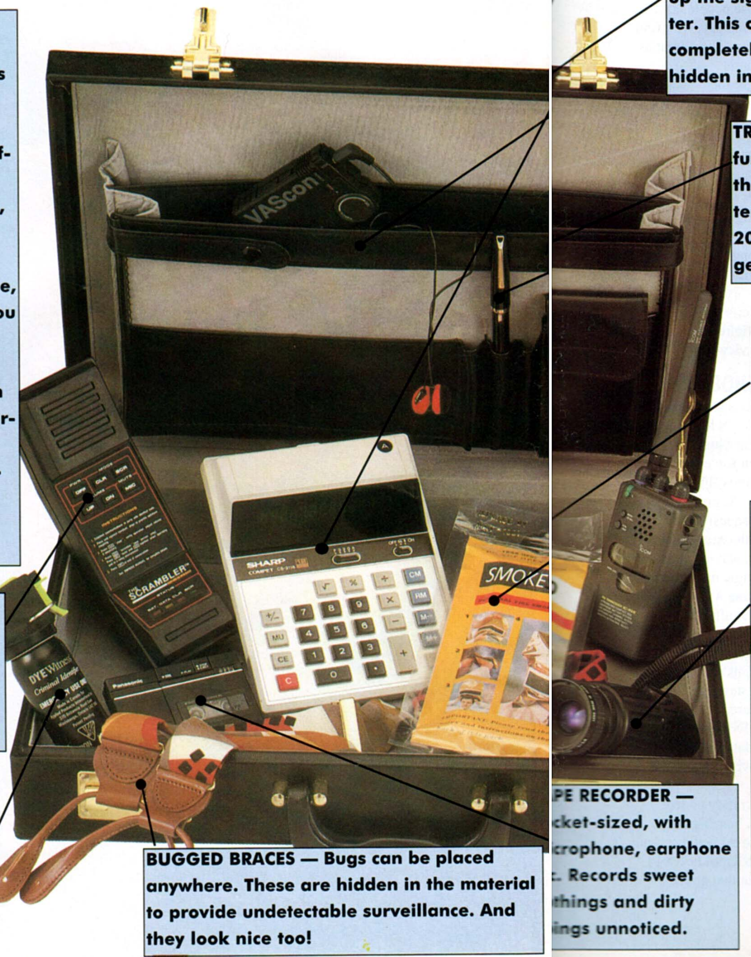
ARE YOU BEING BUGGED?

Mayfair correspondent ***Mandy Jasper*** *visits the Spycatcher shop and finds that a relationship without trust is a relationship without 24-hour surveillance...*

Until now the only way to keep an eye on the girl you've got your eye on was to sit in a black saloon outside her flat day and night, chain-smoking, drinking coffee and eating bagels. But that was before Spycatcher, Britain's first surveillance shop, based in London's Belgravia. In fact, for a price, you can have everything you need to keep tabs on your loved one and help you sleep at night — even when she isn't. But it's worth bearing in mind that with absolute discretion guaranteed, Spycatcher could well be helping your loved one keep tabs on you...



PHONE SCRAMBLER — A scrambler that fits to a telephone which makes it impossible for intruders to listen to your conversations. Very popular!

DYE WITNESS — Covers your assailant in a harmless dye for identification later — but how you'll find the guy with the green bum is another question!

BUGGED BRACES — Bugs can be placed anywhere. These are hidden in the material to provide undetectable surveillance. And they look nice too!

MONEY MAYFAIR

BRAND X

According to one busines publication, naming f products and "brand management" is no onger the preserve of the ad agency but hould be discussed at the highest levels by ompany staff so that the product "embraces n the minds of consumers a particular and ppealling set of values and attributes which are both tangible and intangible." The intangible ones presumably being why Marathon bars are now called Snickers (a word which I find it hard to attribute any appealling set of values, myself, cos it means fuck all!).

The feature in *Busines to Business* says that it is particularly important that the product's name works internationally to avoid any possible embarrassment. Well, it seems that the "highest levels" have cocked up, if the following examples are anything to go by.

The **Vauxhall Nova** which was launched in Spain where "no va" means doesn't go.

Brains who tried to launch their meatballs in the States with the slogan, "Faggots — Great balls of goodness".

Lowenbrau who sold their beer in this country promising that none went on sale without "first being passed by a panel of experts".

Queensway who wondered why nobody ever came to their Big Q sale (till somebody pointed out that few people fancy joining a big queue).

Then there's a toilet roll in Japan called **Mifanny**, **Pschit!** a soft drink from France, and some German crisps called **Nackas** (presumably salt 'n' vinegar flavour) — see if you can get a girl to munch on those!

TIGHT ARSE OF THE MONTH

Now here's a man who owes every person in Britain a pint — and that's official. Richard Branson, has cleverly avoided paying the Chancellor £92 million (enough to buy every man, woman and child a pint) and quite legally. So this month he gets our Golden Globes Award — the bullioned buttocks of model Emma (*above right*) — for having a tighter arse than a penguin underwater!

How did he do it? Quite simply. When Branson sold his company Virgin Music to EMI, he netted a cool £510 million. Now this half billion should be liable to Capital Gains Tax at a swingeing 40 per cent (making £90-100 Million available to the Exchequer to be spent on you and me) but Tricky Dickie is no sweet innocent Virgin when it comes to large sums of money When he set up the company, he put most of the assets into family trusts based in the Channel Isles. These tax havens do not recognise little things like Capital Gains, so rather than be in a pickle, Branson only got taxed on the tiny percentage of shares registered in the UK. Clever, eh?

Well, here's another asset for you, Dickie, a Tight Arse award — and mine's a pint of Theakston's.

NEIL'S ON REELS

If you want to teach your management how to run a business in these trying times, can we suggest you ignore the *Sunday Times Business Skills* videos (a snip at £145 excluding VAT). I mean who better than the man who bought the Hitler Diaries, *Sunday Times* editor Andrew Neil, to introduce a video about Leadership? If that isn't bad enough, the video telling you how to motivate your staff includes an interview with Chris Green boss of Inter City! You only have to ask any member of British Rail staff a question about delays, cancellations and re-platforming to see just how highly motivated they are!

QUEST

THE LABORATORY OF HUMAN RESPONSE

PERSONAL FILE

Name... Miss K

Age... 25

Sex... Female

Town of origin... London

Other details... This council officer hides a secret: she gets turned on wearing fetish underwear — rubber panties, cut-out peephole bras and other such unusual items. She has several current sexual partners, all of whom share her fetish...

Quest: At what age did you discover your fetish?

Miss K: I think I was pretty young when I became aware of it subconsciously, but I never really explored that side of myself until I was about 20. I'd left technical college and had just started a job with my local council (I was then living just outside London). I'd gone through a period of about a year without having a boyfriend, and to be honest, the strain of all that celibacy was beginning to tell on me. I've always been very highly sexed, and I found that I was feeling incredibly frustrated. Obviously I was frigging myself a lot, but even normal masturbation techniques soon palled, and I began to look for other ways of exciting myself sexually.

I'd always been turned on by the feel of wearing leather — I own several leather mini-skirts and a really figure-hugging pair of leather trousers — and so I kept getting the idea in my head of perhaps finding a leather bodysuit or something. The idea of feeling soft, supple kid leather moulding itself to my generous boobs and pussy lips, the scent of my hot skin mixing with that special leather, really got me aroused and fingering myself into a frenzy. But when I tried the specialist underwear shops, they didn't have anything in leather at all in their underwear sections. But they did have a whole range of rubber gear — and that's when I discovered it in earnest!

Quest: Briefly, before we come to your story, what was it that turned you on about rubber?

Miss K: Just the feel and the smell of the material. When I touched it with my fingers, I felt an electric sensation shoot through them and up my arms, hardening my nipples and making them rub erotically against my shirt. I bought two pairs of knickers there and then, and when I got them home and eased the first pair over my hot snatch before looking in the mirror, I orgasmed almost immediately I felt the rubber touch my pussy lips.

I stood there admiring my reflection, pressing the heel of my hand into my pussy mound, moulding the rubber to my pussy, feeling my juices coating the gusset and climaxing every couple of minutes. And that was when I became addicted to rubber. From then on, I began a collection of kinky underwear that's now got about 50 or 60 items in it: crotchless knickers, peephole bras, PVC and leather and rubber items, anything I've been able to get my hands on.

Quest: How did you go about finding partners with the same fetishes as you?

Miss K: I started buying specialist magazines in the shops where I bought my fetish clothing, and they gave lists of the kind of clubs where you could go and meet, as they put it, like-minded people. The first time I went to a fetish club was a real eye-opener!

I was on my own so I was quite nervous, though I felt really confident that my outfit would attract any of the guys in the room. I was surprised at how young and good-looking most of them were too — I couldn't believe my luck when this really handsome guy called Dave approached me. He was about my age, and dressed in just this really tight leather posing pouch. My eyes were immediately drawn to the size of his cock, which was obviously hardening at the sight of me in my skin-tight rubber basque and knickers, which I'd had to ease myself into by covering my whole body with oil. My skin was gleaming with the heat and my arousal, and it didn't take us long to get acquainted and retire to a quiet corner of the club.

Dave went down on his knees and started kissing and nibbling round my pubic area. I knew that I was juicing up and getting wetter by the minute, and we both inhaled the delicious aroma of my pussy juices combined with warm rubber. Dave's cock was now poking out of the top of his pouch, straining to get at my pussy, but I made him wait. I was determined to enjoy every second of this new experience.

"Pull my knickers down," I told him, thrusting my pubic mound right into his face. "Lick my pussy."

Because the rubber was so tightly moulded to my skin, Dave really had to pull hard to get the knickers down, but the feeling of release when they'd finally been eased down to mid-thigh level was tremendous. As soon as the air hit my heated pussy, I knew it wasn't going to be long before I was coming like a demon.

Dave started working on me with his tongue, parting my love lips with it, touching my clitty delicately, making me moan as I arched my back to push myself as close to his questing tongue as possible. He really was a bit of an expert at cunnilingus, and when he thrust his tongue inside me and licked and sucked deep, I couldn't hold my orgasms back. I shivered and bit my lip as I came strongly, flooding Dave's face with my come.

He didn't stop when I'd had my first orgasm, he just kept bringing me off — and I decided to stand back and enjoy it! My love juices were running down my thighs and into Dave's eager mouth, and he was lapping it up frantically, making moaning noises as he did so, his cock now free of the restraining pouch and bobbing in the air. The helmet was dark red, and I knew that he wouldn't be able to hold himself back from coming for long.

"Do you have a condom?" I asked him, breathing hard, barely able to get the words out. "I want you to fuck me. I want to feel your cock inside me."

Dave produced a condom — I'm kinky about them too, as they're made of lovely latex! — from a small pocket on the inside of his pouch, and I bent down to slowly, seductively ease it over his hard, throbbing cock. Dave was so aroused I thought he was going to explode, and I teased him, taking ages to roll the latex down his length, feeling the blood pumping through his veiny shaft. When I finally stood up again and placed my back firmly against the wall so that he could enter me standing, the feel of his cock pushing inside me was unbelievable.

It felt so tight inside me, particularly as Dave still had the leather pouch around his knees, just like my knickers, but that's just the way I like to hug a cock. I could feel every inch of him, and the fact that he was wearing a condom just turned me on even more, the rubber gliding up and down inside my slick pussy hole until I was begging for him to come.

When he finally unleashed a torrent of spunk inside the condom, I could feel the hot spurt deep inside, and I came so strongly that I felt as if I was spurting too, so much come was rushing out of me.

"He thrust his tongue inside me and licked and sucked deep..."

Of course, after that I was hooked on going to these fetish clubs, and now I have several regular partners with whom I indulge my sexual needs. And often, underneath my very sober-looking working clothes, I wear really kinky underwear. It really turns me on to know that I'm wearing, for example, crotchless PVC knickers or one of those tight peephole bras which leave your nipples free to be stimulated by whatever you're wearing over it: sometimes I get so horny at the office that I have to retire to the toilets and frig myself until I orgasm, frantically biting my knuckles to stop anyone hearing me climax.

I'm sure that my colleagues would be rather shocked if they knew about this secret side of me, but that's half the fun of a fetish like this — keeping it from anyone but the people who share it. Though I must say that I've really loved sharing it with Quest readers...

Quest: Thank you.

QUEST

THE LABORATORY OF HUMAN RESPONSE

PERSONAL FILE
Name... Miss M
Age... 28
Sex... Female
Town of origin... Tonypandy
Other details... This curvaceous brunette is currently unemployed. However, she is sexually active and enjoys stimulating her lovers with sexy lace underwear...

Quest: You joked that when you had a full-time job, you didn't really have time for spicing up your sex life...
Miss M: That's true! I used to work in a factory just down the road from my house, and the hours weren't too sociable for a fun-loving girl like me. Then when there was all the worry about the plant shutting down... it was actually a relief when I was laid off.

Obviously, around this area jobs are pretty scarce, and I've been unemployed for over two years now. When it first started, and I found that I had a lot of time on my hands, that led me to thinking about sex. And that, of course, led me to start reading magazines like *Mayfair*, which I'd never really come across until then. I found it really arousing looking at the lovely girls in there in all their lingerie, showing off their bodies the way women's bodies were meant to be shown — looking beautiful and ready for sex. That was when I thought, why didn't I get some of that lace and try to see if I couldn't get myself a really good sex life?

I decided that my next birthday, I'd ask for lacy lingerie for presents from everyone. It was a really good idea — I was given some wonderful stuff, and I particularly liked an outfit that my sister bought for me. It was a red catsuit made entirely of tight-fitting net and lace, which clung to my curves (I'm 38-24-38) like a second skin and really showed off my dark hair. The first time I put it on, I wasn't wearing any knickers, which isn't something I usually do — and the effect on me was electric!

At the sight of myself in the mirror, my full, black bush poking out through the red lace, which was moulded to my moist cunny lips, pushing the seam in between them and pressing against my hot little clitty, I was aroused beyond belief. And I knew that if such a simple thing could turn me on so much, the effect on guys was going to be tremendous.

After that, I was making up for lost time. The first guy that I managed to get back to my place was in for a real treat!
Quest: What happened?
Miss M: I met this guy called Jason in my local pub: he was a friend of a friend, and I fancied him right away. So the next evening when I knew he was going to be there again, I made sure that I was dressed to kill: I had the red lace catsuit on, with just a very short black velvet mini-skirt on over it, and with a black lacy bra underneath. His eyes nearly popped out of his head when he drank in the sight of the black lace barely covering my generous boobs and not at all disguised by the red lace over the top. I wasn't wearing any knickers either, and so with every step I took, I could feel the catsuit's seam pressing into my cunt, rubbing my clitty until it was aching almost painfully.

Getting off with Jason was a piece of cake: there was no way he could resist my charms so obviously on display, and once he was back at my place there was no way that he wasn't going to empty his balls inside me and give me the fucking I'd been craving for for so long.

I stripped him down to his black briefs and then treated him to a real strip show as he lay back on the bed, his prick bulging through his pants. I pulled off my skirt and showed him that I wasn't wearing any knickers, rubbing my hands between my legs and showing him how wet and juicy I was. He could see through the lace that my pubes were beaded with my come, and as I reached behind my back and started to unzip the catsuit, my boobs popped out of the too small bra, the nipples red with arousal and as hard as chestnuts.

"Suck my nipples," I told him, pulling him off the bed and on to his knees in front of me. He closed his eyes as he inhaled the potent aroma of my cunt juices and watched me playing with my teats, waiting for the attentions of his mouth.

I orgasmed as soon as I felt the firm pressure of his lips around my areolae, my cunt contracting as I felt the delicious ripples rush through me. Jason certainly knew what he was doing as his teeth grazed and nibbled at them, and then he moved his mouth all over the lace and the parts of my skin which were already exposed, licking and kissing and caressing me with his hands and tongue. It was wonderful. I felt boiling hot yet shivery all over, and those orgasms just wouldn't stop coming.

Jason took charge then and peeled the catsuit all the way off, dispensing with my bra and pulling me down onto the floor so that we could get entangled in a really good 69. He first pumped his prick between my heavy, aching boobs, and then into my mouth, where I savoured the feel of his thickness and the taste of his tangy pre-come, and the way the hair on his heavy balls was scratching against my chin — not the kind of thing that normally turns me on, but in this situation it was driving me crazy!

Meanwhile, Jason's tongue was attending to the needs of my cunny, licking and exploring all my hot and moist crevices, stabbing into me with long, deep strokes. I was still coming, but harder than ever now, my boobs heaving with the effort, holding Jason's prick harder than ever as he pressed his hands around them to keep them there.

I could feel that my tits were moist with the come slowly seeping out of the eye of Jason's prick, but I was determined not to let any of it go to waste. "Make sure you come in my cunt," I whispered to him fiercely. Then I rolled on the floor so that he was positioned on top of me, his chest pressed right against mine, both of us breathing hard as he prepared to fuck me with the cock I'd been waiting all evening for.

> **"He pumped his prick between my heavy, aching boobs, and then into my mouth..."**

He slid it right up inside me with his first thrust, and as his body weight pressed against me (and more importantly, increased the pressure on my clitty to almost unbearable proportions) I started screaming loud enough to bring the house down.

"Fuck me harder! I want to really feel your cock splitting me in half!" I was telling him, and he certainly gave as good as he was getting, really grinding his body against mine in circular motions as he fucked me and tried to hold off his own climax for as long as humanly possible.

But of course, he couldn't manage it for long, and gratifyingly soon I felt the hot gush of his spunk inside my wet cunt, filling me right to the brim and making me shiver and convulse with pleasure as I savoured each delicious ripple of my orgasms. My nails were really digging into his back hard, and my face was as flushed as if I'd been out in the sun for hours as I came down from my high and recovered from my climaxing.
Quest: What did this do for your sex life subsequently?
Miss M: Well, it certainly spiced it up, that's for sure! I've got quite a large collection of kinky lace gear now, and I've yet to find a bloke who doesn't get incredibly turned on at the sight of my pale skin and black hair against some white lace lingerie, or seeing my big boobs just barely covered with a layer of thin, delicate black.

And it's made me more aware of my body too — now I know *exactly* how to use it, and how to get the very best out of the guys that I'm sleeping with! Sex is now my overriding passion in life: I can never, ever get enough of it!
Quest: Thank you.

EUROPEAN MAGAZINES AT UNDER ½ PRICE

THE bowler hat boys in Brussels have done it again!

Now they are allowing more and more of the import rules to slip, and I've got hold of the very best of Europe's Hot 'n' Hard magazines.

Many of the titles you will recognise as European classics, although I doubt you've had the chance to get your hands on them before, but I guarantee you won't recognise the prices!

You will never get a better bargain—all these magazines are available to you today at a ***fraction of the prices*** they will be when they hit the streets later this year.

To get around import restrictions, I've had to offer these very explicit magazines in sets, but this will also reduce transport and handling costs, so that they can come to you even cheaper.

Order your copies of Europe's very best magazines and beat the rest to true European porn.

TEN DAY MONEY BACK GUARANTEE FAST DISCREET SERVICE

The Private Organisation video has been selected specifically for the British viewer. They are all good, strong original copies, featuring 180 minutes of hard-sex action.

HARD PORN VIDEOS ARE AVAILABLE BEFORE 1993 BY BUYING DIRECT FROM THE PRIVATE ORGANISATION

HARD-SEX AND MORE HARD-SEX

by Jan Rostrup

Private Organisation, Denmark's most successful producers of hard-porn videos and Europe's biggest suppliers are now importing direct to UK.

Their reputation, however, is not as strong in the UK as the rest of Europe, they have therefore developed an exciting new marketing policy for UK customers only, that of giving away — yes — giving away thousands of hard-porn tapes to establish themselves in the UK.

Each of these videos is 180 minutes long and can only be described as hard-core pornography, and will be of interest to UK buyers looking for the genuine article.

Like you, I have been used to seeing the usual UK rubbish we laughingly call 'pornographic.' I was quite shocked by the explicit detail in the Private Organisation Videos.

I would add a warning that if you are not used to viewing such explicit pornography as shown in these European videos, especially those produced by Private Organisation, then you should not purchase as their content might offend you.

"Fucking lovely," she moaned. "Do it more!"

While all this was going on, Margaret was having fun further down, and both of them sensed I was about to come. Margaret moved faster and faster as Kate squirmed and wriggled on my face.

"Fuck me now!" cried Margaret. "Me too!" said Kate. "And use that lovely fucking tongue!"

We all came together, and a bit later the girls changed places and we did it all again. This time, Kate wanted me to fuck her doggy style and somehow I still managed to lick out Margaret who stood astride her.

Well, that was my first experience — two willing females at once! So don't let anyone tell you sex started in the Swinging Sixties — it was going all right in the Fifties, too! — G.H., Edinburgh

THREE ONTO ONE

I've been looking after my neighbour's house while he and his wife are on holiday, and the other night when I got home I noticed his step daughter's car in the drive. I thought I'd go and let her know that I was planning to mow the lawn, and when I found the door from the garage to the house open I went inside.

I was about to call Elaine's name when I heard moaning coming from her room. I rushed to see what was up, and there was quite a lot!

Elaine was on her hands and knees on the bed, naked except for her stockings and suspenders, while two guys sat behind her wanking. As I watched, she beckoned them over and one knelt behind her. She spread her pussy open for him and he slid his long, thick cock right into her. She moaned louder as she took his whole length and he started slamming it into her. Meanwhile, the other guy was standing in front of her and feeding his prick between her lips.

By this time I had my cock out and was wanking. I still didn't realise she'd seen me, so I got a bit of a shock when she took the dick out of her mouth for long enough to smile right at me and say, "Wouldn't you like to shoot your load over me?"

Naturally I nodded — I was too surprised to speak! — and got onto the bed beside her, my fist still wrapped around my rock hard meat. Almost at once though, Elaine pushed my hand away and replaced it with her own, and she tossed me off better than I could do it myself!

Of course, now I had both hands free I was able to grope her, and I squeezed and fondled her boobs, then slid a couple of fingers onto her clit while the cock in her pussy kept on thrusting in and out. That was what sent her over the edge, and she had to stop sucking the other guy's cock for a minute while she came, her juices dripping over my fingers and the first guy's balls. A moment later he groaned and unleashed his hot spunk inside her.

As soon as she'd recovered, she carried on sucking the other guy off until he shot his load down her throat. All this time she'd been jerking me off, and I was getting very close to coming.

Elaine turned onto her back and lay there, with her head hanging over the edge of the bed. She pushed me until I was standing beside her head, then took my cock in her mouth and began sucking. Her tongue was stroking and teasing the head of my dick as she sucked. She had both hands between her legs, fingering her twat, but soon one of the guys crawled between her thighs and shoved his meat into her. The other guy was just watching with a glazed expression, hardly able to believe his eyes!

As for me, watching Elaine get fucked as she sucked me off was a real thrill, and the incredible action of her mouth had me spilling a huge load down her throat. The other guy groaned that he was coming again, and pulled out to spray a hot jet of spunk over her boobs and thighs.

I've never looked at Elaine in quite the same way since that evening, and although I haven't had another chance to see her in action, just thinking about it gets me rock hard! — Tony, Liverpool

sexiest French accent we've ever heard, and showing us a pair of pert 34 inch boobs that will get fan mail all of their own. "But I hope it won't be too long before you see me on the big screen."

And what about the casting couch? Are the rumours true? "Yes, but I'm not that sort of girl. I put my work before my pleasure. You see," giggles the thrilling thespian, "I wouldn't screw anyone till *after* they'd given me the best part!"

Mayfair new-comer Celine from Paris, France is no stranger to showing off her talents to the camera — the 20-year-old actress is doing her level best to break into films.

"I've gone up for plenty of tests but so far I haven't actually managed to get my hands on, how do you say, a big enough part," she says in the

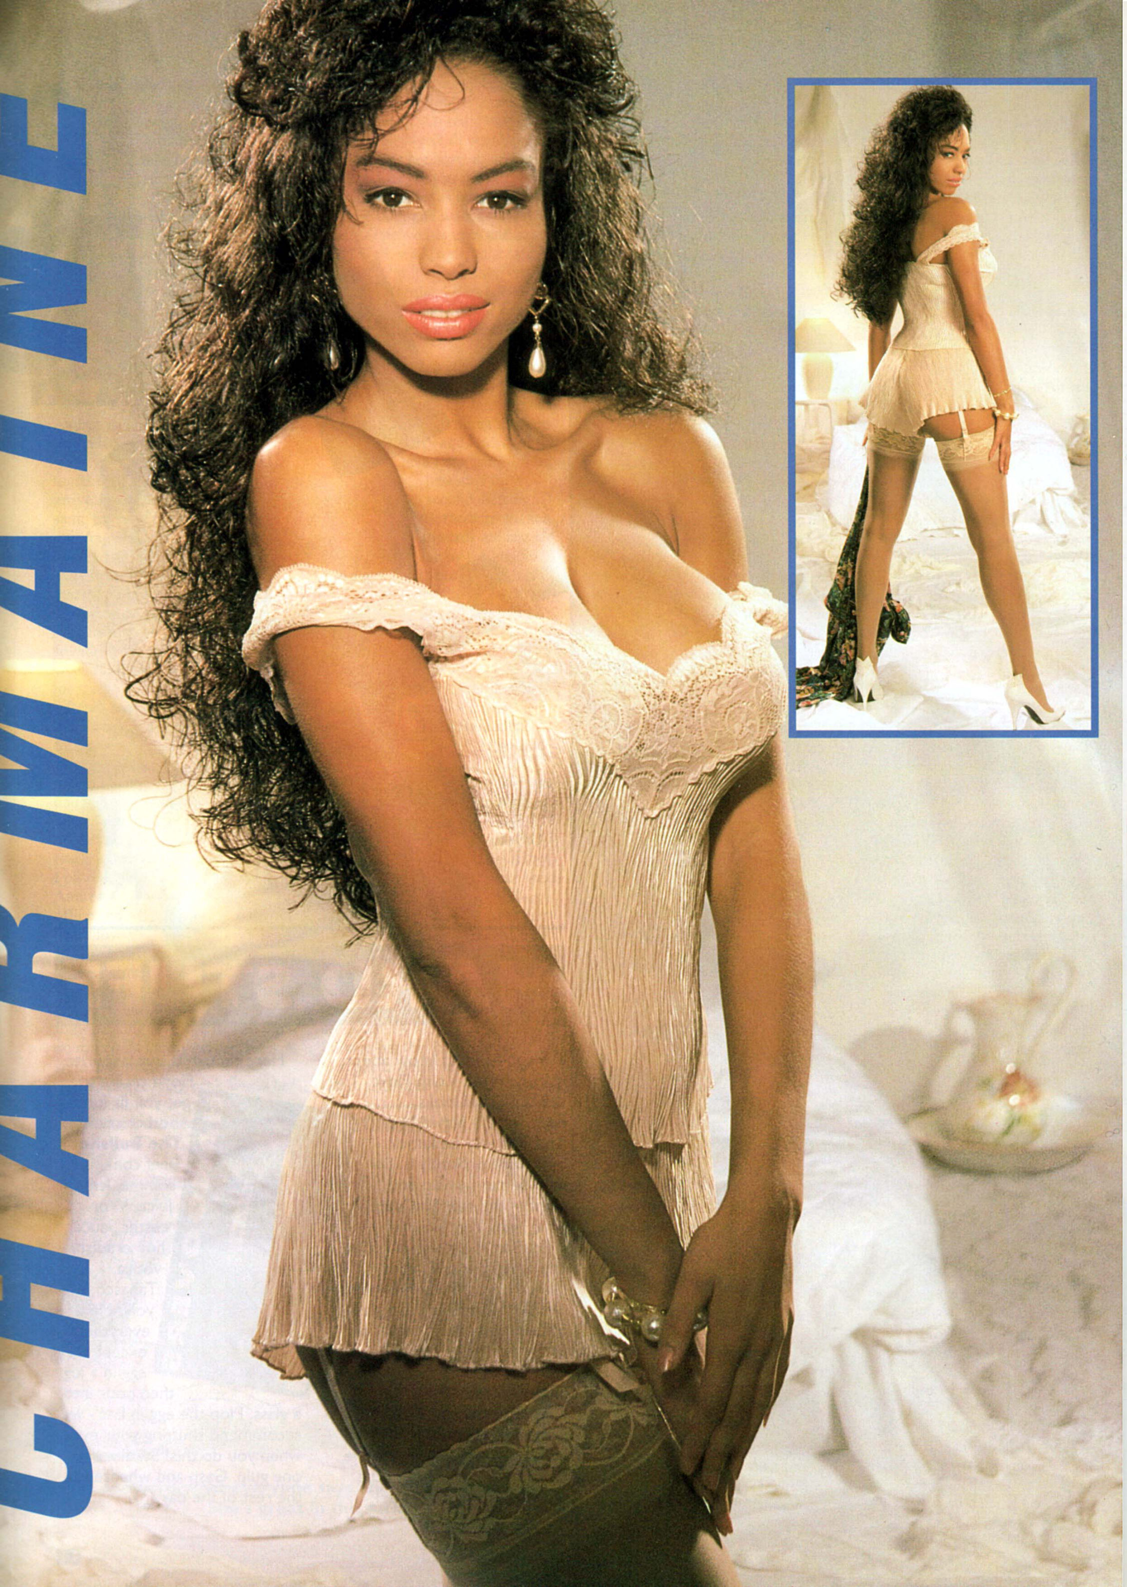
her lacey panties to reveal just what the lucky man in her dreams is missing.

"Oh no. It wouldn't be just *one* lucky man! I always dream of a couple of muddy rugby players coming round for a bath, or maybe two of those Chippendales wanting me to rub some oil into them, and then I'm off into my own fantasy world.

"Thing is, I'm getting very frustrated just dreaming about sex. I want the real thing!"

Well, we're sure there's one or two *Mayfair* readers who aren't doing much this weekend, Charmaine...

CHARMAINE



She's back! After her stunning debut last month Charmaine (38-24-36) reminds us all that she's got more front to enjoy than Brighton, and invites us into her bedroom to watch her get ready for bed the only way she knows how!

"If I'm all on my own at night I like to dress myself up in the horniest outfits I've got lying around. You know, tights, suspenders, high heels, then I just lie back on the bed and think of all the horny things I wish I was doing," whispered the 20-year-old from Twickenham in London, pulling aside

taking pictures of my tits than they took of the whole island. One guy couldn't believe they were real, and when I lifted my t-shirt to show him they were, the poor love fainted. And to think it's usually me that ends up flat on my back!

"I did have a really lovely time though. I think my only problem was finding enough suntan lotion to cover my tits. The last thing I need is too much exposure!"

JO

PHOTOGRAPHS BY CARLOS O'FLYNN

With enough up front to make Dolly Parton look like Twiggy and still have enough left over to feed a family of four, regular girl Jo makes a welcome return to *Mayfair* after her holday in the States.

"All these pictures were taken in Hawaii," grinned the 60" bra-busting beauty. "And I think I had more tourists

mirrel

Blowing her own trumpet again is the lovely Mirrel from South Wales who, for once, refused to strip for the camera!

"The leather motorbike jacket felt so sexy against my skin I couldn't bring myself to take it off," she grinned, but that didn't stop her bringing herself off instead, as she opened her slender thighs and slipped a sticky finger inside.

"I tell you, all this leather doesn't half put me in the mood for a ride!" Ⓜ

examine lots of their personal valuables and even get to handle the odd interesting weapon?" she grinned.

"I must be worth a fortune, too," she sighed running her hands over her own valuable jugs. "My boss says things are always worth more if you've got the pair!"

Nikki

It's a bust! And we don't mean the one on the right! But you couldn't fake anything with 20-year-old Nikki, who certainly knows a piece of art when she sees one.

"I work at an auction house in London, and I love it! I mean, where else could you have loads of different men making you offers all day, get to

THE GIRL NEXT DOOR sammy

If every girl next door looked like Sammy then neighbourhood watch certainly wouldn't be so dull, and the only crime would be seeing our lovely barmaid here fully dressed!

"My boss will go mad when he sees these pictures!" beamed the fresh-faced 18-year-old beauty as she reclined for us in a backroom of the pub where she works part-time. "Mind you, some of the regulars will be pleased! Every time we hold a stag night they buy me drinks all night in an effort to get me to do a strip for them."

So once again it appears that *Mayfair* reaches the parts beers cannot reach... Ⓜ

SANDY

If you ever bump into sexy Sandy, star of *Mayfair* Vol 27 No 1, don't even think of chatting her up. If the saucy secretary and occasional Page Three girl from the South Coast wants to, she'll make the first move. And, as she's just taken up judo you can be sure they'll be all the right ones!

"It's not really an agressive sport," adds the sun-drenched sex-kitten, "but I could have you on your back in seconds!" Do you promise, Sandy?!
